

OFFER OF EMPLOYMENT

Full Stack Developer

Private & Confidential • Dated: September 07, 2026

Dear **Rajendra Chaudhary**,

We are pleased to extend to you the **Offer of Employment** for the position of **Full Stack Developer** at **BlockLabsAI**. Your skills and experience align strongly with our mission to build innovative, technology-driven products through robust and scalable software solutions.

The following outlines the terms and conditions associated with your employment:

01 POSITION DETAILS

POSITION TITLE	Full Stack Developer
EMPLOYMENT TYPE	Contractual – 1 Year <i>(with potential for long-term engagement)</i>
START DATE	September 28, 2026
MONTHLY COMPENSATION	NPR 35,000 <i>(Confidential)</i>
WORK LOCATION	Onsite – Kathmandu, Nepal

02 ROLES & RESPONSIBILITIES

As a Full Stack Developer at BlockLabsAI, your key responsibilities will include:

- Designing, developing, and maintaining both front-end and back-end components of web applications
- Building responsive, user-friendly interfaces and robust, scalable server-side logic
- Integrating third-party APIs, databases, and other services into product workflows
- Writing clean, well-documented, and testable code following best practices
- Troubleshooting, debugging, and optimizing applications for performance and reliability
- Collaborating with designers, product managers, and other developers to deliver product features
- Maintaining version control and participating in code reviews to ensure quality and consistency

03 WORK EXPECTATIONS

You are expected to contribute approximately **6 to 7 hours per day**. Workload may vary depending on the **development cycle, feature deployments, and technical needs**. Consistent communication and collaboration with the engineering and leadership teams is expected throughout your engagement.

04 CONFIDENTIALITY & COMPLIANCE

All compensation details, internal systems, source code, and employment terms are to be treated as strictly confidential. Any breach of this confidentiality clause will result in an immediate review of your employment status and may lead to termination.

05 TOOLS FOR COLLABORATION

The following tools will be used for effective team communication and task management:

- **Trello** – Task management and workflow tracking
- **Slack** – Team communication
- **GitHub** – Code management and version control

06 PATH TO GROWTH & PENSION ELIGIBILITY

BlockLabsAI is committed to the long-term development of our team. Employees who continue their tenure will be given priority consideration for full-time roles with extended benefits. Furthermore, team members who remain with the company over extended durations will be eligible for pension benefits, with structure and amount determined by tenure and contributions.

07 PERKS & BENEFITS

As part of your welcome package, you will receive official BlockLabsAI merchandise, including a branded T-shirt and sticker set.

08 ACKNOWLEDGEMENT & ACCEPTANCE

If you agree with the terms outlined above, please sign below to confirm your acceptance of this offer.
